

## ***PALMETTO GRAND D.O.I. BUILD-A-BEAR***

The Daughters of Palmetto Grand Court ended the Grand Session with completing their charity for the Year. Grand Commandress Gladys Ele Simmons led the daughters over to Build-A-Bear at the Columbiana Mall and built 12 bears to be donated to the Ronald McDonald House,

Columbia, SC.

The Court had a great time building the bears one "heart" at a time.

After the bears were born, a birth certificate was created and the bears were placed in their own individual box to be delivered.

The Daughters then transported the bears to the Ronald McDonald House and low in behold a child (Meagan) had just arrived to stay at the home as her family prepared for her surgery.

Grand Commandress Simmons presented Meagan with the bear, while her mother looked on in the background pleasantly.

*Charity! What a beautiful word.....*
