

# Grand Eminent Commander Sir Knight Norman Artis, 32°

From the desk of Grand Eminent Commander Sir Knight Norman Artis;

I bring you greetings from the Palmetto Grand Commandery. As we go through life building that house not made with hands, we find ourselves trying to solve our own problems instead of just trusting in the wisdom of the Grand Architect of the Universe. To help you reach the celestial heaven, the Alpha and Omega and that undiscovered country, I leave you with these words: It's easy enough for a man to smile when life moves on like a song, but a man worthwhile is the one that can smile when everything goes wrong.

*The Charge of a Sir Knight: Those who assume the responsibilities of a Knight Templar are bound by solemn vows to give alms to the poor and weary, to succor the needy, feed the hungry, clothe the naked and bind up the wounds of the afflicted.*
